- 1 What makes A Trek Within different and what inspired you to write it?
- 2 In the chapter on dreams, you mentioned a dream you had on Dec. 30, 2019 that saved your life. Tell me about that.
- 3 People may be surprised to see how many other people's stories are included in this book. Which one did you find most inspiring or memorable?
- 4 After 10 years of working on the book, you realized your experience with lymphoma was the missing chapter of the book. Tell me more about that.
- 5 People may be surprised by your assertion that you caused the lymphoma. How is that possible?
- 6 One of the themes of the book is that the importance of many experiences is often more clear in hindsight. As you look back, how did this connection between what we say and what we experience show up in your life and in your speaking, and corporate coaching?
- 7 How has following your inner compass helped you?
